

Curriculum Vitae

Dr. Maria Moraitou - Apostolopoulou

Professor of Zoology - Marine Biology of University of Athens

Director of Department of Zoology - Marine Biology

Director of Studies of postgraduated degree in Oceanography

Director of Zoological Museum.

Place of birth: Athens Greece

University degrees and training

- University of Athens, Greece, Faculty of Physical Sciences, B.S. Degree in Natural Sciences.
- University of Athens, Greece, Faculty of Physical and Mathematical Sciences, Doctor's degree in Natural Sciences.
- University of Athens, Greece, Faculty of Physical and Mathematical Sciences, Υφηγεσία (Privat Dozent).
- Station Zoologique de Roscoff, Laboratoire Arago (Banyuls sur Mer).
- Stazione Zoologica di Napoli - Italia.

International Scientific visits and collaborations

- Stazione Zoologica di Napoli
- Laboratorio di Istologia ed Embriologia, Università di Roma, Italia.
- Laboratorio per lo studio della contaminazione Radioattiva del Mare, Fiascerino, La Spezia, Italia.
- Laboratoire Arago, Banyuls sur mer, France.
- Laboratoire d'Hydrobiologie marine, Université de Marseille, Luminy, Marseille, France.
- Marine Laboratory Marine Biological Association of U.K. Plymouth, England.
- Istituto DE Zoologia Università di Trieste, Italia.
- Institut of Oceanography and Fisheries, Split Jugoslavia.
- Marine Laboratory, Ruvigny, Jugoslavia.

Research activity

- Regeneration of marine animals. Marine Biology: systematics and ecology of Zooplankton of different greek marine areas (specialized in Copepods, Cladocerans, Ostracods). Marine pollution problem. Effects of pollutants to aquatic organisms (1975 - 1982).
- Marine ecophysiology (effects of environmental parameters on physiological processes and population dynamics of marine animals).
- Grants from UNEP (United Nations Environmental Programs), WWF, greek Ministry of Coordination greek ministry of Agriculture, E.C.
- Supervisor or member of the committee of a P.H.D. the Universities of Athens Patras, Thessaloniki.

Teaching activity

A) undergraduate level (Biology), General Zoology, Hydrobiology, Ichthyology, Biological

Oceanography.

B) postgraduate level: Planktonology, Management of Marine Environment.

Publications

1. M. Moraitou - Apostolopoulou (1965): Experimental Research on the Regeneration of Marine Polychets. P.H.D. Thesis.
